STATUS UPDATE REPORT REGARDING THE PROGRESS OF THE BUSINESS RESCUE PROCEEDINGS OF CONSOLIDATED POWER PROJECTS PROPRIETARY LIMITED (IN BUSINESS RESCUE) ("COMPANY" or "CPP")

- 1. In accordance with section 132(3)(a) and section 132(3)(b) of the Companies Act 71 of 2008, as amended ("**Act**") when the business rescue proceedings of a company have not concluded within 3 months of the date on which they started, a business rescue practitioner is required to-
 - 1.1. prepare a report on the progress of the business rescue, and update it at the end of each subsequent month until the end of the business rescue proceedings; and
 - 1.2. deliver the report and each update to each affected person and to the Companies and Intellectual Property Commission ("CIPC").
- 2. Accordingly, we hereby provide you with the December 2021 report on the status of the Company's business rescue proceedings.
- 3. Capitalised words not otherwise defined in this report shall have the meaning ascribed to them in the legally binding Business Rescue Plan of the Company, duly approved and adopted by the relevant Affected Persons on Friday 12 March 2021 ("Plan").

- 4. Affected Persons are hereby updated on the following matters which have occurred or remain relevant since the distribution and publication of the November 2021 status update report:
 - 4.1. <u>Projects</u> The Company continues to endeavour to bring all key projects to a state of final completion, or alternatively, is pursuing engagements and/or agreements which will ensure their final completion, where there is direct benefit to the Company and its Affected Persons. As before, we continue to face challenges with procurement timelines on some of the Company's larger projects due to general supply chain disruptions caused by the COVID-19 pandemic, as well as the aftermath of the recent strike in the South African metals and engineering sector. In this respect, we have been actively engaging with suppliers and shippers to expedite the manufacturing and delivery of materials to project sites.
 - 4.2. <u>Guarantees</u> Of the total guarantees outstanding as at the commencement of business rescue, 30% have been returned to the guarantee providers (by way of reduction, cancellation or expiry) and 20% have been called. Thus, 50% of guarantees remain outstanding as of 31 October 2021.
 - 4.3. <u>Asset and Business Sales</u> in accordance with the Plan, we continue to engage with interested parties regarding sale processes related to assets and businesses surplus to the needs of the Company. To date, a significant number of the Company's movable assets have been released. The majority of the Company's remaining movable assets are still in use and will only be subject to sale as and when they are no longer operationally required by the Company.
 - 4.4. <u>Company Shutdown</u> Please be advised that the Company will commence a mandatory Shutdown Period for the end-of-year break, at 17:00 on Wednesday 15th January 2021. The company will re-open in the new year on Monday 10th January 2021.
 - 4.5. <u>Disputed Creditor Claims</u> Creditors who have submitted Disputed Claims will continue to be contacted in the upcoming month regarding the status of their Disputed Claims. As detailed in previous status update reports, Section 3.3 of the Plan provides a Dispute Mechanism process for persons to deal with any disputes related to claims. Creditors who dispute the amount and/or the inclusion/exclusion of their claims against the Company reflected in Annexure F of the Plan, are still able to follow such process if they so wish.

- 5. Affected Persons are reminded that all notices and documents regarding the business rescue proceedings of the Company, to date, have been circulated to all known Affected Persons and have additionally been published on the Company's website at: www.concogrp.com, under the "Business Rescue" tab.
- 6. If you have any queries, they may be directed to the business rescue email address at: br@concogrp.com.

Yours faithfully,

PF van den Steen
