1. In accordance with section 132(3)(a) and section 132(3)(b) of the Companies Act 71 of 2008, as amended ("**Act**") when the business rescue proceedings of a company have not concluded within 3 months of the date on which they started, a business rescue practitioner is required to–

2. Accordingly, we hereby provide you with the November 2022 report on the status of the Company's business rescue proceedings.
3. Capitalised words not otherwise defined in this report shall have the meaning ascribed to them in the legally binding Business Rescue Plan of the Company, duly approved and adopted by the relevant Affected Persons on Friday 12 March 2021 ("**Plan**").
4. Affected Persons are hereby updated on the following matters which have occurred or remain relevant since the distribution and publication of the October 2022 status update report:

## **5. Mandatory Shutdown Period**

- 5.1. Affected Persons are advised that the Company and all its ongoing operations will be undertaking Mandatory Shutdown Periods during the December 2022 / January 2023 period. These shutdowns are project/assignment specific and are in accordance with the below:
- 5.2. The Company's Head Office operations and support functions will shut down for the year at 17:00 on **Thursday 15th December 2022** and re-open in the new year at 08:00 on **Monday 9th January 2023**.

## **6. Projects**

- 6.1. The Company and its inter-related companies currently have approximately fifteen projects with remaining activities. Three of these projects remain in active construction, while the others have some degree of activity remaining, be it close-out activities, ongoing defect notification periods, or unresolved disputes. Two of the three active construction projects are expected to reach completion within the next six months, with the final active construction project is expected to reach completion around the third quarter of 2023.
- 6.2. We continue to engage with clients, suppliers and subcontractors to expedite completion timeframes of active projects and to close out residual matters on remaining projects.

## **7. Asset and Business Sales**

- 7.1. As per previous reports, the majority of the Company's movable assets have been successfully sold. The Company's remaining movable assets are still in use and will only be subject to sale as and when they are no longer operationally required by the Company.

## **8. Closure and de-registration of legal entities locally and internationally**

- 8.1. As previously reported, at the commencement of Business Rescue, there were **41 companies** in the group, across **8 international regions**. Currently, **23 of the 41 companies** have either been deregistered/in the process of being deregistered, sold, or closed. The detailed project to bring financial statements up to date, regulatory filings up to date, and to affect the closure/deregistration **of the remaining 18 entities**, is ongoing.
