## STATUS UPDATE REPORT REGARDING THE PROGRESS OF THE BUSINESS RESCUE PROCEEDINGS OF CONSOLIDATED POWER PROJECTS PROPRIETARY LIMITED (IN BUSINESS RESCUE) ("COMPANY" or "CPP")

1. In accordance with section 132(3)(a) and section 132(3)(b) of the Companies Act 71 of 2008, as amended ("**Act**") when the business rescue proceedings of a company have not concluded within three months of the date on which they started, a business rescue practitioner ("**BRP**") is required to–
  - 1.1. prepare a report on the progress of the business rescue, and update it at the end of each subsequent month until the end of the business rescue proceedings; and
  - 1.2. deliver the report and each update to each affected person and to the Companies and Intellectual Property Commission ("**CIPC**").
2. Accordingly, we hereby provide you with the January 2026 report on the status of the Company's business rescue proceedings.
3. Capitalised words not otherwise defined in this report shall have the meaning ascribed to them in the legally binding Business Rescue Plan of the Company, duly approved and adopted by the relevant Affected Persons on Friday 12 March 2021 ("**Plan**").
4. Affected Persons are hereby updated on the following matters which have occurred or remain relevant since the distribution and publication of the last status update report:
5. **Projects**
  - 5.1. The Company has only one project with remaining construction activities, although there are still several projects that require resolution of outstanding commercial matters.

5.2. The one project with remaining construction activities is currently in a suspended state. The expected completion date of this project is dependent on the lifting of the suspension; if the suspension is lifted shortly, then completion is expected to occur toward the end of 2026. If the suspension is not resolved shortly, the BRPs will need to consider alternatives.

## **6. Construction Guarantees**

6.1. The total value of construction guarantees outstanding as at the commencement of business rescue was approximately R1.43 billion. Of this amount, approximately 73% has been returned to guarantee providers through reduction, cancellation or expiry, and approximately 27% has been called. The Company and its inter-related companies no longer have any outstanding legacy construction guarantees. **More than R1 billion in construction guarantees have been recovered through the business rescue proceedings.**

## **7. Compliance update**

7.1. In line with the adopted Plan, the latter part of this business rescue entails significant effort being expended to address compliance-related matters relating to the wind down of the Company and other group entities.

7.2. Engagements continue with in-country tax advisors across various tax jurisdictions to bring the compliance of the Company and its inter-related companies up to date.

## **8. Asset and Business Sales**

8.1. In accordance with previous reporting, the majority of the Company's movable assets have been successfully sold. Remaining movable assets (which are few) are still in use and will only be subject to sale as and when they are no longer operationally required by the Company.

## **9. Business Rescue Distributions**

9.1. At the early stages of business rescue, PCF Lenders advanced c.R300 million to the Company to fund the proceedings. As of November 2025, repayments to PCF Lenders total approximately R134 million. The BRPs continue to anticipate making additional repayments in the future; however, it is unlikely that the PCF will be repaid in full.

9.2. Distributions to Secured Creditors are not envisioned as outlined in the Plan. Returns to Secured Creditors have accrued by way of reductions and recoveries against outstanding construction guarantees, effectively reducing contingent liabilities. Recoveries to date have been noted in paragraph 6 above.

- 9.3. Secured creditors with parent company guarantees have to date been paid 11 cents in the rand by the ultimate holding company, being Consolidated Infrastructure Group Limited.
- 9.4. As was outlined in the Plan, Unsecured Creditors are not expected to receive any distributions in business rescue.
10. Affected Persons are reminded that all notices and documents regarding the business rescue proceedings of the Company, to date, have been circulated to all known Affected Persons and have additionally been published on the Company's website at: [www.concogrp.com](http://www.concogrp.com), under the 'Business Rescue' tab.
11. If you have any queries, they may be directed to the business rescue email address at: [br@concogrp.com](mailto:br@concogrp.com).
